UKG Pro Pay and People Center Statement of Work

(Includes UKG Pro Workforce Management and other UKG Subscription Services, if purchased)

This Statement of Work (SOW) outlines the scope of services to be provided by UKG for the implementation of the Subscription Service(s) in the corresponding Order and is subject to the terms and conditions set forth in the UKG Master Services Agreement (MSA) or such other existing underlying agreement between the Parties. The scope of services described herein are fixed price and subject to the same terms and conditions as the corresponding Order. Unless otherwise defined herein, words and expressions defined in the Order shall have the same meaning in this Statement of work.

1. Introduction to Launch

UKG's Launch methodology provides a framework for how the project will progress during the Customer's deployment. The project team follows this framework to transition the Customer's applicable functions from the legacy provider(s) to the UKG Subscription Service(s). The Launch methodology includes the following phases:

Launch Phase	Description
Welcome	This phase includes UKG's internal readiness and team assignments, Customer preparation and access to Subscription Service(s), project team kick off, and initial project planning.
Requirements	This phase includes reviewing and assessing Customer's current process and policy information to ensure the best fit between Customer's business requirements and the UKG Subscription Service(s).
Build	This phase includes configuring Customer's Subscription Service(s), migrating applicable data from legacy system(s), building integrations to/from third-party systems, and unit testing to ensure each iteration delivers a fully configured component of the system.
Test	This phase includes Customer's User Acceptance Testing (UAT) for the applicable UKG Subscription Service(s).
Go Live	This phase includes UKG assisting Customer with the first live processing, the rollout of the Subscription Service(s) and transition to UKG support.

2. Subscription Service(s) in Scope

The following Subscription Services, if purchased, are in scope and will be configured in accordance with the Launch methodology and assumptions described in this document.

Subscription Service	Go Live Phase
UKG Pro Pay and People Center	Phase 1
UKG Pro Benefits Hub	Phase 1
UKG Pro Benefits Administration	Phase 1
UKG Pro Workforce Management (Timekeeping and Accruals)	Phase 1
UKG Pro Scheduling	Phase 1
UKG Pro Absence - Leave	Phase 1
UKG Pro Talk or UKG Pro WFM Talk	Phase 1
UKG Bryte Assistive AI for Pro Suite or Pro HCM	Phase 1
UKG Pro Document Manager	Phase 2
UKG Pro People Assist	Phase 2
UKG Pro Talent Acquisition (Recruiting and Onboarding)	Phase 2
UKG Pro Performance and Coaching (Performance Reviews, Succession, Coaching and Development)	Phase 2
UKG Pro Compensation	Phase 2
UKG Pro Learning	Phase 2
UKG Pro Employee Voice or UKG Pro WFM Employee Voice	Phase 2
UKG Pro People Analytics with WFM Data	Phase 2
UKG Pro Workforce Management Analytics	Phase 2
UKG Pro Absence - Attendance	Phase 2
UKG Great Place to Work Hub	Phase 2
UKG Rapid Hire - Standard	Phase 2
UKG Rapid Hire - Onboarding	Phase 2

3. Launch Parameters

The following parameters support UKG's Launch methodology and provide an additional set of considerations as it applies to the Project, the Subscription Service(s), and Professional Services described in this document.

Launch Item	Guidelines
Project Launch and Completion	• UKG will support one (1) Launch Go Live for the Subscription Service(s) in the Order. Full Suite Launch: • The typical Phase 1 Launch duration for Customers whose purchase includes UKG Pro Pay and People Center and/or UKG Pro Workforce Management is four (4) months from project kick-off. • Kick-off for the Phase 2 Launch, if applicable, will be scheduled within one (1) month of the Phase 1 Launch Go Live. The typical Phase 2 Launch duration is one to three (1-3) months from Phase 2 kick-off depending upon specific Subscription Service(s) purchased. • Launch services for each phase end when the scope of services is completed or expire six (6) months after phase kick-off, whichever comes first. Additional Subscription Service(s) Launch: • The typical Launch duration for Customers purchasing additional UKG Subscription Services is one to three (1-3) months from project kick-off depending upon specific Subscription Service(s) purchased. • Launch services end when the scope of services is completed or expire six (6) months after the project kick-off, whichever comes first.
Launch Pricing	• Fixed Fee Launch pricing for the scope of services described herein is based on typical Launch duration(s) specified in this SOW and assumes Customer will have established standardized HR, pay, and/or time policies/practices for employees included within the Order. • Launch services will be delivered as one continuous project. If any necessary Customer information, data, materials, access, cooperation and/or personnel is incomplete or delayed, UKG reserves the right to place the project on hold, reassign resources, and amend the quoted pricing accordingly. • Material scope changes impacting project resource requirements and/or Launch duration, including interfaces not specified in this SOW, will require a separate Service Request.
Work Hours	• UKG will perform work during standard business hours, Monday through Friday from 8:00 a.m. to 5:00 p.m. in the Customer's primary time zone. • Work outside of the standard business hours must be mutually agreed upon in advance and requested with enough notice to ensure resource availability.
Global Employees	• The term "Global Employees" applies to employees based outside of the US and Canada • Support for Global Employees is limited to services specifically identified under the Professional Services and Subscription Service(s) Assumptions section of this SOW. Unless specified, no other Subscription Service support for Global Employees will be provided under this SOW.
Customer Tasks and Communication	• Customer will complete tasks and training as indicated in the Roles and Responsibilities section of this document and as assigned in the final project plan by mutually agreed upon due dates. • UKG will not be responsible for delays caused by Customer's failure to provide adequate resources for the project or complete tasks and training promptly. • Customer's project manager is the appointed point of contact for Customer on this project. The Customer's project manager will be responsible for all communications and project management among all Customer parties (staff, vendors, consultants) and for the escalation and resolution of any issues for the Customer.
Travel and Access	• All project tasks are completed through UKG's remote deployment model unless otherwise mutually agreed to in advance or via an authorized Service Request order. • Customer will provide UKG resources with access to necessary infrastructure to complete project tasks. Remote access will be granted using industry standard tools (GoToMyPC, PCAnywhere, etc.). • Travel expenses are not included and will be invoiced separately as incurred. The Customer is responsible for airfare, lodging, and related travel expenses incurred while UKG resources are traveling for the Customer's business. All travel and expenses are billed at actual costs incurred. UKG resources will book travel through UKG's preferred travel management company.

4. Roles, Responsibilities, and Deliverables

A successful Launch assumes Customer participation throughout each phase of the project. Roles and responsibilities for both UKG and the Customer are described below along with primary Launch deliverables and acceptance criteria.

Launch Phase	UKG	Customer	Deliverables
Welcome			
	• Review Statement of Work (SOW), contract documents and resource assignments with Customer • Facilitate and participate in the kick-off meeting • Assist in defining Customer resources and training plan as part of the project plan • Provide Customer access to the Subscription Service(s)	• Validate Statement of Work (SOW), contract documents and resource assignments • Share project goals/success criteria with UKG project team • Participate in the kick-off meeting • Ensure key project resources attend recommended training course(s) throughout implementation	• Statement of Work (SOW) and contract documents reviewed and align with those received with the Order • Resource assignments, training plan, and initial project plan delivered and align with project goals/success criteria shared with UKG project team • Access to the UKG Subscription Service(s) in the Order
Requirements			
	• Lead requirements workshop(s) to aid Customer in gathering business requirements • Conduct workshops to define testing strategy • Lead and participate in the documentation of project assumptions, risks, and configuration needs based on completed requirements and UKG recommended configurations • Create project scope document detailing the results of the requirements phase and provide Customer with a detailed project plan	• Participate in requirements and testing strategy workshops • Gather policy/procedure documentation and business use cases to complete data collection process • Describe expected solution, business process(es), and business rules for all employee groups in scope • Facilitate rapid review, feedback, and signoff on all project documentation as required to meet project deadlines • Participate in the documentation of project assumptions, risks, and configuration needs	• Requirements workshop(s) delivered enabling the data collection process • Testing strategy workshop(s) delivered supporting testing strategy definition • Document detailing project assumptions, risks, and configuration needs jointly produced • Project scope document delivered detailing results of the requirements phase • Updated project plan delivered detailing activities and primary milestones of the project
Build			
	• Complete mutually agreed upon UKG configuration tasks and complete unit testing to validate configuration • Share data mapping process and field specifications with Customer • Configure interfaces as defined in this document • Supply technical support for UKG network infrastructure	• Complete mutually agreed upon Customer configuration tasks and complete unit testing to validate configuration • Provide data translations and field mapping defaults for all required fields • Supply technical support for system integration/data conversion, system networking and any Customer hardware • Review configuration and agree to proceed to Test phase	• Unit testing completed and configuration validated for Subscription Service(s) • Data mapping process and field specifications shared supporting the provisioning of data necessary for required fields • Interfaces are configured and align with those defined in the SOW
Test			
	• Assist Customer with interface, system, functional, and conversion (if applicable) User Acceptance testing (UAT) per the defined testing strategy • Resolve Customer-reported defects	• Perform interface, system, functional, and conversion (if applicable) User Acceptance testing (UAT) per the defined testing strategy • Report and retest identified defects	• User Acceptance testing (UAT) completed and Customer's authorization to proceed to Go Live received
Go Live			
	• Provide production support and post-live support for transition to UKG's Support Services team	• Execute manager and end-user training • Validate Subscription Service(s) and mutually agree to proceed with Go Live	• First live date has been achieved

5. Project Team Composition

UKG will provide experienced resources and subject matter experts (SMEs) specializing in specific areas of the Launch associated with the Subscription Service(s) purchased. Customer will also provide resources and subject matter experts (SMEs) to support implementation of the Subscription Service(s) purchased or as otherwise mutually agreed to in the project plan.

UKG may use trained and approved consulting services resources ("Certified Partners") to assist in the performance of the Launch or consulting services under the Order. Customer hereby authorizes access by UKG, its affiliates, and Certified Partners to the Customer information necessary to perform such Professional Services which may include access to Customer's Confidential Information and Customer Data.

UKG Resource	Key Responsibilities
Service Manager	• Act as UKG project sponsor responsible to gain commitment for all project resources
Project Manager	• Serve as primary point of contact responsible for achieving project objectives by coordinating with all project resources on the timely completion of project tasks • Develop and manage project schedule. Communicate overall project status and provide project reporting. • Serve as initial point of escalation for all project related issues. Identify and develop project risk mitigation plan and coordinate activities needed for resolution.
Integration Consultant	• Create and deliver all in-scope integrations • Work together with Customer and 3rd-party vendors (if applicable) to determine requirements for file automation; initiates and manages the setup of data exchange services
User Adoption Consultant	• Serve as primary point of contact to advise designated Customer resources responsible to support the delivery of change management
Data Conversion Consultant	• Responsible for successful migration of source data provided by Customer
HR/Payroll Consultant	• Primary point of contact for HR and payroll Subscription Services configuration life cycle per the Launch methodology
Payment Services Subject Matter Expert	• Primary point of contact for payment services related activities
Benefit Consultant	• Primary point of contact for benefit Subscription Services configuration life cycle per the Launch methodology
Talent/Compensation Consultant	• Primary point of contact for talent and compensation Subscription Services configuration life cycle per the Launch methodology
Document Manager and People Assist Consultant	• Primary point of contact for document manager and people assist Subscription Services configuration life cycle per the Launch methodology
Workforce Management Consultant	• Primary point of contact for workforce management Subscription Services configuration life cycle per the Launch methodology
Scheduling Consultant	• Primary point of contact for scheduling Subscription Services configuration life cycle per the Launch methodology

Customer Resource	Key Responsibilities
Executive Sponsor	• Act as Customer project sponsor responsible to gain commitment for all project resources • Provide executive-level support to the project team • Ensure the needs of the project team are well represented and met by the steering committee
Project Manager/Lead	• Serve as primary point of contact responsible for achieving project objectives by coordinating with Customer project resources on the timely completion of project tasks • Communicate overall project status and provide project reporting to Customer steering committee if applicable • Identify and manage project risks and serve as Customer's initial point of escalation for all project related issues and coordinate activities needed for resolution • Channel the team's activities toward Subscription Service(s) configuration and executing the project

Customer Resource	Key Responsibilities
Education and Change Management Resource	• Act as Customer's primary resource and designated decision maker for end user training and change management
System Administrator	• Serve as Customer's primary resource(s) for Subscription Service(s) configuration and on-going system support and knowledge
Technical Resource	• Serve as Customer's primary resource(s) for technical issues related to integrations, network, Subscription Service(s) security, and data conversion when applicable
HR Subject Matter Expert	• Customer's primary HR representative and designated decision maker
Payroll Subject Matter Expert	• Customer's primary payroll representative and designated decision maker
Benefits Subject Matter Expert	• Customer's primary benefits representative and designated decision maker
Talent Acquisition Subject Matter Expert	• Customer's primary talent acquisition representative and designated decision maker
Talent Subject Matter Expert	• Customer's primary talent, learning, and compensation representative and designated decision maker
Document and Case Management Subject Matter Expert	• Customer's primary document and case management representative and designated decision maker
Workforce Management Subject Matter Expert	• Customer's primary workforce management representative and designated decision maker
Scheduling Subject Matter Expert	• Customer's primary scheduling representative and designated decision maker
Other Subject Matter Experts	• Other subject matter experts, as needed, to act as a primary resource and designated decision maker for their specialty area

6. Professional Services and Subscription Service Assumptions

The following Subscription Service and Professional Service assumptions were used to formulate the Order and this SOW. Changes to these assumptions may require a separate Service Request resulting in additional costs and delayed timelines.

Professional Training and User Adoption Services	Assumptions
Training	UKG will: • Provide a product learning plan to prepare your project team during the Launch via the UKG Community. Specific courses are required during each phase of the Launch to minimize the amount of time between training delivery date and real-life system usage. • Provide access to learning resources like job aids and videos for end users, superusers and administrators. • Provide ongoing, post-live access to formal and informal learning for administrators and superusers to keep up to date with releases, quarter/year end and best practices.
User Adoption – Empower	UKG will: • Conduct a communications and user training planning workshop • Conduct a train the trainer consulting workshop • Provide a role-based user matrix • Provide access to the preparing for change dashboard • Provide adaptable communications and user training plans • Provide train the trainer materials including manager course presentation (.ppt) and participant guide (.doc), standard hands-on practice exercises with the most common manager tasks, employee job aids (.html)

Professional Testing Services	Assumptions
User Acceptance Testing (UAT) Support	UKG will: • Provide an overview of the UAT process, including testing tools and the approach to be used for issue management • Supply stock baseline test cases to validate system functionality and provide general guidance to aid the Customer in writing and executing test cases specific to their business

Professional Testing Services	Assumptions
	• Offer consultation and provide issue support during the testing phase • Secure final confirmation from the Customer to validate system readiness prior to Go Live

Subscription Services (If Purchasing)	Assumptions
UKG Pro Pay and People Center	UKG will provide the following Pro Pay and People Center data conversion services: • Review of Customer-provided source data to ensure suitability for production processing in UKG approved conversion table formats. The data converted must map to existing UKG Pro Pay and People Center tables. • Convert data from one (1) source system (additional sources may be used for conversion; however additional fees may apply) • Convert the employee Masterfile/People Data one (1) time. This includes the most recent record for: active employees and employees terminated up to 7 years prior to the scheduled go-live date. • Convert current year Payroll Balances up to two (2) times, for W2 reporting. • Convert Contacts, Dependents and Beneficiaries one (1) time (if required). • No additional data or history is included. UKG will provide the following Pro Pay and People Center integration services at payroll Go Live: • One (1) Customer-specific flat-file for banking (ACH and positive pay) • One (1) general ledger data export Customer will: • Provide source data suitable for production processing in UKG approved conversion table formats. The data converted must map to existing UKG Pro Pay and People Center tables. UKG will provide Customer with a web-based import tool to support the following: • Facilitate a standard process for importing employee demographic data from a third-party system into UKG Pro Pay and People Center • Manage the processing of transactional updates generated from the third-party system • Read and consume Customer-generated transaction files and run them through UKG Pro processes on a predetermined schedule or on-demand as needed. Customer will: • Provide source files for the UKG Pro Import Tool in the standard format specified by UKG (transactions should only be sent on their effective date and file must include changes only and one (1) record per transaction type per employee) UKG will provide limited Pro Pay and People Center support for Global Employees in up to ten (10) countries outside of the US and Canada. If support is needed to configure more countries, additional fees may apply. This quote assumes that Customer will use the delivered global payroll export.
UKG Pro Benefits Hub	UKG will: • Perform an analysis of Customer's benefit and carrier requirements • Configure the subscription service to include the following: ○ Benefit period, benefit policies, and benefit policy products ○ Carrier, carrier contracts, and carrier contract products ○ Associated rules and triggers • Create EDI integration flat file(s) for transmission to third-party carriers: ○ Up to three (3) total files created during Launch as standard ○ Up to five (5) total files created during Launch if Order also includes UKG Pro Premium Benefit Services
UKG Pro Benefits Administration	UKG will: • Perform an analysis of Customer's benefit requirements • Configure the Customer's health and welfare benefits through the UKG Pro Benefits Administration Subscription Service • Configure UKG Pro Benefit Administration events, including new hire, life events, automated process events, and open enrollment if applicable
UKG Pro Workforce	UKG will configure:

Subscription Services (If Purchasing)	Assumptions
Management	• Up to five (5) union CBAs (collective bargaining agreements) • Up to twenty-five (25) employee pay rules (e.g., grouping of overtime, shift premiums, holiday zones, etc.) • Up to five (5) user personas (e.g., administrator, manager, employee profile) • Up to twenty (20) accrual policies. UKG Pro Workforce Management becomes the system of record for accruals. • Up to seven (7) standard attestation workflows • Payroll based journal export (if applicable) • Includes up to (3) one-way flat-file integrations UKG will configure the following predefined exception-based time and paid time off (PTO) scope to track in/out punch data and PTO for Global Employees: • One (1) non-calculating pay rule and work rule • Five (5) non-calculating PTO buckets with ability to decrement • Predefined Global Personas for managers and employees • Time Export via standard Dataview or report Note: the predefined scope does not include the ability to automatically calculate time and/or time off accruals based on localized country-specific pay rules, accrual rates, or carryover policies.
UKG Pro Talk	UKG will: • Support and enable Customer to configure and administer the Subscription Service through a combination of remote working sessions and Customer assignments ○ Working sessions are typically one to two (1-2) hours each and will be scheduled considering project timeline and Customer availability • Monitor configuration and testing activity completion to determine when Subscription Service is ready for production use • Provide thirty (30) days of production support prior to transitioning Customer to UKG Support Customer will: • Participate in working sessions and complete assigned configuration and testing activities
UKG Pro Scheduling	UKG will configure the predefined scope: • Up to ten (10) scheduling groups (schedule for a defined set of employees based on common tasks, skills, census, department, or other qualifiers like a paper schedule) • Employee Self Service for Open Shift, Swap Shift, and Request to Cover • One (1) Schedule Template • One (1) Pro Skills/Certification Import with three (3) Employee Schedule Rule Sets • One (1) Call List • Two (2) School Calendars
UKG Pro Absence - Leave	UKG will configure: • Federal leave policies • Up to two (2) state leave group(s)
UKG Pro Document Manager	UKG will provide the following predefined functionality: • Employee folder structure • HR roles mapped with UKG Pro People Center HR roles • UKG Pro People Center HR data (Employee, Organization and HR User) • Enablement of advanced document generation feature • Logo of Customer to UKG Pro Document Manger site Customer will: • Document migration from legacy provider to UKG Pro
UKG Pro People Assist	UKG will provide the following predefined functionality: • Form & workflow configuration • HR Roles mapped with UKG Pro People Center HR roles • Process automation and template configuration • UKG Pro People Center HR data (Employee, Organization and HR User) • Logo of Customer applied to UKG Pro People Assist site Customer will:

Subscription Services (If Purchasing)	Assumptions
	• Create knowledge base articles in its Subscription Service platform
UKG Pro People Analytics with WFM Data	UKG will: • Deliver People Analytics with WFM Data enabling the Customer to report on Pro data and summarized Dimensions data side by side using UKG Pro Cognos (this will be deployed directly in production tenant) • Deploy and configure a package in Pro Cognos to access summarized Dimensions data • Provide detailed documentation including data dictionary • Session with customer to review Data Hub Configuration Portal • Support setting up Cognos Roles
UKG Pro Workforce Management Analytics	UKG will: • Deploy an industry best practice dataview and reports package, which leverages standard KPIs available in UKG Dimensions • Deploy Auditor dashboard and drill through dataviews • Load pay code mappings required to configure the standard KPIs • Deliver value assessment using client data to highlight results and opportunities for improvement
UKG Pro Absence - Attendance	UKG will configure: • Up to four (4) attendance policies. Note that complex attendance business policies may require two (2) or more attendance policies to fully implement. The in-scope policies apply to business policies.
UKG Pro Talent Acquisition* UKG Pro Learning** UKG Pro Compensation UKG Pro Performance and Coaching UKG Pro Employee Voice or UKG Pro WFM Employee Voice	UKG will: • Support and enable Customer to configure and administer the Subscription Service(s) through a combination of remote working sessions and Customer assignments ○ Working sessions are typically one to two (1-2) hours each and will be scheduled considering project timeline and Customer availability. Total sessions vary based upon specific Subscription Service(s) purchased, Customer complexity, and engagement. • Monitor configuration and testing activity completion to determine when Subscription Service(s) are ready for production use • Provide thirty (30) days of production support prior to transitioning Customer to UKG Support Customer will: • As a prerequisite, be live on UKG Pro People Center and actively maintaining both organization structure and employee data • Participate in working sessions and complete assigned configuration and testing activities **Note:** Data conversion services are not included and are quoted via Service Request if required. Customer should let their UKG project manager know if interested in obtaining these services. *Data conversion, if obtained for UKG Pro Talent Acquisition, must be completed prior to Go Live. **Data conversion and course content services for UKG Pro Learning can be purchased from certified UKG Marketplace partner, Skoox
UKG Great Place to Work Hub	UKG will: • Establish an interface between UKG Pro and the Great Place to Work platform • Convert up to twelve (12) months of job history if applicable • Support Customer in configuring the Subscription Service
UKG Bryte Assistive AI for Pro Suite or Pro HCM	UKG will: • Assist with configuring access to Bryte Assistive AI through security settings • Provide guidance on how to upload documents to Bryte Assistive AI • Share best practices for using Bryte Assistive AI effectively Please note: Bryte Assistive AI does not currently support the automatic generation of responses based on localized content-specific rules or policies unless those are uploaded. We also recommend that customers encourage their user base to provide clear feedback if Bryte Assistive AI ever provides incorrect information. For any issues, Customer Administrators should submit tickets via the appropriate UKG channels, following the established escalation process and SLA

Subscription Services (If Purchasing)	Assumptions
	requirements.
UKG Rapid Hire - Standard	UKG will: • Assist with configuring the standard UKG Rapid Hire solution and includes up to one (1) standard flat file integration.
UKG Rapid Hire - Onboarding	UKG will: • Assist with configuring up to fifteen (15) workflows and includes up to one (1) standard flat file integration.

7. Service Requests

Requests for changes to this SOW, additional scope, or activities outside of this planned project scope must be submitted to the UKG project manager in writing or in the form of an electronic Service Request.

The following excluded items are considered out of scope and will require a Service Request:

- Material changes in the scope or effort
- Material changes in the number or type of deliverables to meet the defined scope of effort
- Changes to the project resource requirements
- Changes to the Launch duration

UKG will assess the time needed to implement the Service Request, its impact on the project's delivery, and will quote the Service Request based on current rates. UKG will perform the requested work once the Service Request has been completed and signed by the Customer. UKG will not be responsible for troubleshooting Subscription Service(s), interfaces or hardware not provided by UKG.
